WORK EXPERIENCE

CrowdBazaar Private Limited

Aug. 2024 – Present

Full Stack Developer

Remote, UK

- Developed user authentication using Firebase and reCAPTCHA for secure phone number verification.
- Integrated Stripe as a seamless payment gateway for vendors, enabling transactions via credit cards and other providers.
- Facilitated efficient vendor payments, contributing to the platform's usability and adoption.
- Implemented Role-Based Access Control (RBAC) to allow vendors to create sub-accounts with custom permissions for managing menus, orders, and sales.
- Contributed to a production-ready website, delivering robust features to meet business requirements.

Hanamizuki Training PVT LTD

Oct. 2023 – Apr. 2024

Japanese Teacher

On-site, Kathmandu Nepal

- Worked as a Japanese teacher for N5/N4 level.
